Floral Order Pick Up Info

For pick up, you or your designated helper will need a car with flat space and working air conditioning. **Absolutely no pick up trucks or cars with windows down.**

Florals will be packed well prior to pick up, but please bring empty boxes, blankets, etc to pad any empty space and minimize movement during transit.

If applicable, any vessels or structures you are providing will need to be dropped off to Bloodroot **two weeks prior to your event date**. Please coordinate drop off and pick up times with Bloodroot via email. You will be provided with exact address via email. Zipcode is 28105.
